off beat irreverent and subversive a Jewish family memoir about convenient delusions and unsayable truths from the acclaimed author of the cult classic novel *Submarine* the best book I've read in the past year a masterpiece *Financial Times* a slippery marvel and a quixotic voyage into the heart of 20th century darkness *Observer* poignant and profound comic and unconventional and genuinely searingly meaningful the *New York Times* Joe Dunthorne had always wanted to write about his great grandfather Siegfried an eccentric scientist who invented radioactive toothpaste and a Jewish refugee from the Nazis who returned to Germany under cover of the Berlin Olympics to pull off a heist on his own home the only problem was that Siegfried had already written the book of his life an unpublished two thousand page memoir so dry and rambling that none of his living descendants had managed to read it and as it turned out when Joe finally read the manuscript himself it told a very different story from the one he thought he knew thus begins a mystery which stretches across the twentieth century and around the world from Berlin to Ankara New York Glasgow and eventually London a mystery about the production of something much more sinister than toothpaste on the trail of one jolly grandpa with a patchy psychiatric history and an encyclopaedic knowledge of poison gases Joe Dunthorne is forced to confront the uncomfortable questions that lie at the heart of every family can we ever understand where we come from is every family in the end a work of fiction and even if the truth can be found will we be able to live with it *Children of Radium* is a remarkable searching meditation on individual and collective inheritance witty and wry deeply humane and endlessly surprising it considers the long half life of trauma the weight of guilt and the ever evasive nature of the truth

the first volume of the *Directory of World Cinema Britain* provided an overview of British cinema from its earliest days to the present in this the second volume the contributors focus on specific periods and trace the evolutions of individual genres and directors a complementary edition rather than an update of its predecessor the book offers essays on war and family films as well as on LGBT cinema and representations of disability

in british films contributors consider established british directors such as ken loach and danny boyle as well as newcomer ben wheatley who directed the fabulously strange a field in england this volume also shines the spotlight on the british film institute and its role in funding preservation and education in relation to british cinema a must read for any fan of film the history of the united kingdom or international artistic traditions directory of world cinema britain 2 will find an appreciative audience both within and outside academia

at a once vibrant communal living property in the british countryside back to basics fervor has given way to a vague discontent a place that once buzzed with activity from the polytunnels to the pottery shed now functions with a skeleton crew founder don riley surveys his domain with the grim focus of someone who knows what s best for everyone and isn t afraid to let them know especially when those people are related to him don s wife freya can t quite decide whether not liking someone anymore is enough reason to end a twenty year marriage so she decamps to a mud yurt in the woods to mull it over their seventeen year old daughter kate enrolls in school for the first time in her life the exotic new world of fellow teenagers and surprisingly tasty cafeteria food beckons and she is quickly lured into the arms of a meathead classmate in his sister s absence eleven year old albert falls under the spell of an outlandish new visitor to the community who fills his head with strange notions of the impending end of the world faced with the task of rescuing his son from apocalyptic fantasies his daughter from the clutches of suburbia and his wife from her increasingly apparent desire to leave him don convinces himself that the only way to save the world he s created is to throw the biggest party of his life will anyone show up from the acclaimed young author of submarine wild abandon is a strange and wonderful look at love familial and romantic returned and rebuffed and the people and places we choose to call home
