

to resolve the issue is the technical issue still ongoing or has it

i have been having an issue with td bank for several weeks now where the transactions in my checking account are not downloading to quicken when i do a one step update i have contacted quicken

i would first try using the td bank online banking connection setup in part because it supports the direct connect dc connection method dc is the preferred connection method for speed accuracy

my bank is td bank after the recent outage a one step update to the bank resulted in re activating the account and the connection type changed from direct connect to express connect

on a side note i have been a td bank customer ever since they bought commerce bank in 2007 and it has by far been the slowest most unreliable and problem plagued quicken connection for me it still

jul 7 2023 i had to call td bank about something today towards the end of the call the woman asked if i had any other questions so i inquired about a cli for my td cash card she transfered me to that

i was able to download td bank checking savings and credit card for 2 days using the web connect setup today however all 3 account deactivated and did not download
